Charge of Passing Counterfeit Money Dismissed-Suit Against an Ex-President of a Land Company-General Dix Sued for False Imprisonment-Acquittals in the Court of General Sessions.

UNITED STATES COMMISSIONERS' COURT. Charge of Passing Counterfeit Money Dis-

missed. Before Commissioner Shields. tted States vs. Louis Schafer.—The defend ant was charged with an attempt to pass a counter Zeit twenty dollar bill on one Michael Hohl, knowing the same to be counterfeit. From the testimony it appeared that the defendant had himself been imposed upon in the character of the bill, and at the time of the passing believed it to be genuine. The Commissioner dismissed the complaint.

A Witness Committed. Charles Pelles, a witness in the case of the United States vs. Vincenno, who is charged with having a large amount of counterfeit money in his possession was committed yesterday to prison for not appearing to testify in the case.

James O'Toole, William Shepherd and John Far rell, who were arrested on a charge of mutiny on the ship Francis B. Cutting, were discharged yesterday by the Commissioner, the evidence showing that they had been assaulted by some of the officers of the

Suit against an ex-President of a Land Com

pany. Before Judges Ingraham, Barnard and Cardozo. The Potter County Forest Improvement Company vs. Charles Bushar.—This is an appeal by the plaintime for a judgment and order denying motion for a new trial, entered upon a verdict for \$2,500 recovered upon a counter claim in the answer. The action was brought to recover \$563 77 balance of moneys remaining in the hands of the defendant at the time remaining in the hands of the defendant at the time of his resignation of the presidency of plaintiff's formany. Defendant put in two counter claims. The one for \$12,500 or \$15,000 was abandoned on the trial. The other was for \$3,500, and upon this he recovered the verdict of \$2,500 and interest. The plaintiff's are a land company and were incorporated May 1,1861, by the Legislature of Pennsylvania. By the charter the management was vested in a board of one president and six directors and under this charter the company was organized February 21, 1802, and the defendant then became president of it. On April 24, 1862, the board of directors in New York appropriated the sum of \$1,000 to be expended by defendant in laying out a town. The president was to be entrusted with the execution of the same until a superior thandent should be elected. He only expended part of the \$1,000, and on 31st December, 1852, he made out a report, giving the items of his expenses and acknowledging a balance in his hands of \$563 77, that it is for this sum the suit is brought. The defendant's counter claim of \$3,500 is for work, labor and services and moneys paid, laid out and expended. The jury appear to have first orange him \$2,000 for a \$787 \$87. https://doi.or/10.1001/10. sum of \$3,500, above any first services and \$1,500 for expenses, when, according to the sum of the Action to Test the Validity of Title to Real

Estate on Seventh Avenue.

Elizabeth M. Conkling vs. J. Romaine Brown. This is an action to test the validity of the title of the plaintiff to certain property in the Twenty-second ward. Baltis Moore died and left considerable property in real estate to his sister and a grand nephew of his, who were his only heirs. The sister's name was Margaret Cheesebrough, and the grandnephew's Augustus M. Winter. A division of the property was made by deed by these two heirs. Mr. Winter's mother married a second time, and had children by her second marriage, and when Winter died without being married a question arose as to who were his heirs. By the laws of this State properly inherited by descent does not go to relatives of the half blood, and on this ground the mother of Winter claims the estate in fee. The plaintiff was about to buy some of this property, but, on advice of his lawyers, refused to confirm the agreemont on the ground that the division of the property determined the grandnephew and sister of Baitis Moore made Winter a purchaser of the property, and not an inheritor. If this were the case the estate would go to the half-brothers and sisters of Winter, and not to his mother, it was decided, however, to bring the case before the General Term to decide the question of title. After much argument yesterday the Court took the papers, reserving its of his, who were his only heirs. The sister's name
